To Whom It May Concern,

We would like to thank Ashley Hayes and the entire team at Drake Trailers Pty Ltd with their help when purchasing a new Drake 3 x 4 Deck Widener Low Loader Trailer.

Ashley has being proactive and diligent throughout the entire process ensuring our needs were met in a timely manner. From start to finish, he has kept us updated with information and photos throughout the various stages of the production line. This saw us taking delivery of our new trailer earlier then was suggested.

We were pleasantly surprised at the extra details and small features that were included in a standard fitment. We have previously purchased 'cheaper' trailers from an alternative supplier, however, after receiving this trailer we now believe that these previously purchased trailers were not a cost saver at all based on the high quality of work and care taken by Drake Trailers in the manufacture of our new 3 X 4 Deck Widener.

I would have no hesitation in recommending Ashley and the entire team at Drake Trailers Pty Ltd to anyone looking to purchase a trailer for their business use.

Your s faithfully,
